PACRA maintains the Broker Management Rating of JS Global Capital Limited

Rating Type	Broker Management	
	Current (14-Dec-20)	Previous (07-Aug-20)
Action	Maintain	Maintain
Long Term	BMR1	BMR1
Short Term	-	-
Outlook	Stable	Stable
Rating Watch	-	-

The rating reflects JS Global Capital Limited's ("JSGCL" or "The Company") leading position in the brokerage industry and carries the legacy of stock brokerage business. The rating incorporates the stable market share, competitive position, automotive technological framework and exclusive outreach to retail segment. JSGCL has well experienced management team, sound governance framework and well established compliance protocols which bodes well for the rating. The Company has implemented strong control environment to deliver quality service to its clients. The internal audit function of the Company is outsourced to 'category 'A' auditor which further strengthen the control environment. The rating derives comfort from the company's investing policy, limiting the market risk and liquidity risk. Assessment of earning profile indicates swift escalation parallel with the improvement in traded volumes of the stock market, however, the advisory and consultancy income needs to be intensified. The rating also reflects the company's strong financial profile with Net Capital Balance of ~PKR 934mln at end Sep'20. Furthermore, JSGCL has zero leveraging structure. Going forward, with a focus to provide quality services and continue to be a market leader, the company has deployed an internationally acclaimed brokerage house software 'Mubasher' in parallel to its existing system and implemented internally. The rating take into account the Company's association with a leading financial group,'JS Group' of the country.

Strengthen market share, sustainable profits, sound internal controls, client relationship, HR & IT services and risk management framework, regulatory compliance, external control environment will remain imperative. Further, rational diversification of business activity may provide support to the company's overall financial risk profile.
